## STATEMENT

American Wireless License Group, LLC ("Carrier") did not provide service to any subscribers during the 2005 calendar year. Nonetheless, upon commencement of service to its subscribers, American Wireless License Group, LLC will utilize the following operating procedures to ensure compliance with the Federal Communication Commission ("Commission") regulations regarding the protection of consumer proprietary network information ("CPNI").

- Carrier will implement a system whereby the status of a customer's CPNI approval can be determined prior to the use of CPNI.
- Carrier will educate and train its employees regarding the appropriate use of CPNI. Carrier will also have in place disciplinary procedures should an employee violate the CPNI procedures established by Carrier.
- Carrier will maintain a record of its and its affiliates' sales and marketing campaigns that use its customers' CPNI. Carrier will also maintain a record of any and all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to CPNI. The record will include a description of each campaign, the specific CPNI that was used in the campaign, and what products and services were offered as a part of the campaign.
- Carrier will have in place a supervisory review process regarding compliance with the CPNI rules with respect to outbound marketing situations and will maintain records of carrier compliance for a minimum period of one year. Specifically, Carrier's sales personnel will obtain supervisory approval of any proposed outbound marketing request for customer approval regarding its CPNI.
